

The background of the slide features the Georgia Institute of Technology Yellow Jacket logo. It is a circular emblem with a yellow border. Inside the circle, the words "GEORGIA" and "INSTITUTE OF TECHNOLOGY" are written in a yellow, serif font, curving around the top and bottom respectively. In the center of the circle is a yellow silhouette of a tiger's head, facing forward with its mouth slightly open. The entire logo is set against a dark olive green background.

# PICTURES IN PRACTICE

March 2024

hello  
March

A hand-drawn illustration featuring the text "hello March" in a colorful, cursive script. The word "hello" is in a smaller, simpler font above "March". The letters of "March" are multi-colored, with each letter having a different hue (yellow, orange, red, purple, blue, green). Two small red hearts are positioned above the word "March". On either side of the text are green leafy branches with small leaves and stems, drawn in a simple, sketchy style.
