Providing an opportunity for
students in grades K -12
to receive a high-quality education
in the comfort of their home

ABOUT US

The Carlynton Cyber Academy is offered to students in grades K to 12 who are looking for an alternative to the traditional classroom environment. The District is proud to offer this opportunity to meet the needs and wants of students with the same quality academic programs offered to students who attend any of the Carlynton School District schools.

The Carlynton Cyber Academy will offer high quality online learning opportunities supported by experienced and highly qualified teachers. Cyber students will be able to call or email teachers anytime they need assistance or have questions.

For students in grades 7-12, the online curriculum options will include all courses offered in the Carlynton course selection / program of studies books.

Cyber students in grades K-6 will use the same curriculum that students use in a traditional classroom.

The Carlynton Cyber Academy will allow students to design their entire schedule. Qualified and caring teachers will provide guidance and encouragement throughout the learning experience. Activities to supplement learning will give individuals the chance to encounter real world experiences.

BENEFITS of the Cyber Academy

- Flexibility of scheduling, traveling, and exploring career options
- Opportunities to be creative and productive and to discover and explore individual potential
- Teaches responsibility, time management, self-discipline, dedication, independence, and a global perspective
- Carlynton Cyber Academy teachers have over ten years of teaching experience
- Students and parents can seek help via email, or scheduling a telephone call or, web-conference
- Offers a learning experience outside the traditional classroom for individuals who prefer to learn in the comfort of their home

STUDENT ACCESS

Anytime a student has time, although students must complete pre-determined assignments for each subject during each nine-week grading period

- The Cyber Academy is open 24/7
- Teachers are available during school hours

CONTACT Information

1. Contact the child's guidance counselor for student application or visit the guidance counselor for personalized attention
2. A meeting will be held to discuss student options
3. A schedule will be created for the student, incorporating the best plan for his/her virtual education
